# light rail

## 3014 Side View strip Datasheet

## **F**eatures

※ LED type: Super bright SMD **3014** LED

※ LED Qty: **60,84,156** LEDs/m

※ PCB Dimension: 5000* 8 or 10mm
※ Waterproof Grade: IP20

※ Lifetime: 50000h

## **A**pplication

※ Decorative lighting for festivals, events, shows, exhibitions

※ Architectural lighting for canopy, corridor, window, archway,

※ Backlight or edge light for signage
※ Path or contour marking

※ Channel letter lighting

## Strip parameters

| Model No. | LED Type | LED Q tý /roll (pcs) | Colour | CRI | Each cut Length | Input voltage (V DC) | Lumen of each meter (lm/meter) | Max Power of each meter (W) | Dimensions length / wide (mm) | Continuous Connection Max (mm) |
|---|---|---|---|---|---|---|---|---|---|---|
| SL60 | | 300 | white | Ra>80 | 50mm in 12V 100mm in 24V | 12 / 24 | 780 ±10% | 7.2 | 5000 / 10 | 10000 |
| SL84 | 3014 LED | 420 | white | Ra>80 | 71.4mm | 24 | 800 ±10% | 10 | 5000 / 10 | 10000 |
| SL156 | | 780 | white | Ra>80 | 38.4mm | 24 | 1500± 10% | 15.6 | 5000 / 8 | 10000 |
| CCT available: 2700K, 3000K, 4000K, 6000K | | | | | | | | | | |
